## **I. Introduction**

The New York State Department of State (DOS), Division of Community Services (DCS), presents an opportunity to provide Community Services Block Grant (CSBG) funds to eligible organization(s) to offer financial literacy training and education to low-income individuals and families within New York State. The purpose of the *New York State Financial Literacy Training Initiative* is to assist and educate low-income individuals and families to engage financial resources, allowing them to address and manage the challenges of long term and situational poverty. In doing so, this can empower communities which will lead to food and housing security, a stronger and educated workforce, smart and effective financial decisions as well as protecting their rights as consumers.

## **Background**

CSBG is a federally funded block grant created by Congress to alleviate causes and conditions of poverty in communities and to empower low-income (as defined by the Federal Poverty Guidelines) individuals and families to move toward economic self-sufficiency. In New York State, pursuant to Article 6-D of the Executive Law, the Secretary of State is responsible for the administration of the CSBG Grant, which includes allocation, distribution, and monitoring of funds. Within DOS, DCS is responsible for the management and oversight of CSBG. The CSBG funds are appropriated to provide assistance to States and local communities, working through a network of community action agencies, community-based organizations, other neighborhood-based organizations, and Native American Tribes and Tribal Organizations for the reduction of poverty, the revitalization of low-income communities and the empowerment of low-income families. In New York State's 2022-2023 CSBG State Plan, DCS has allocated discretionary funds to be awarded for innovative programs to help improve the lives of low-income individuals and families.

## **II. Funding and Project Period**

DOS is making available through this RFA approximately 10 awards of up to \$100,000 in federal CSBG funding. The funding available is to assist with financial literacy training and education to low-income individuals and families within New York State. Eligible applicants will apply for funding in one of the three geographic areas as described below (see the regional map in Appendix C to locate the regions and their corresponding counties):

- Area 1: Servicing one or more of the counties of the regions of New York City, Long Island, and the Mid-Hudson Valley
- Area 2: Servicing one or more of the counties of the regions of the Capital District, Mohawk Valley, Central New York, and North Country
- Area 3: Servicing one or more of the counties of the regions of the Finger Lakes, Southern Tier, and Western New York

Eligible organizations may apply for more than one Area (listed above). Applicants must submit separate applications if proposing to serve more than one Area. If an eligible organization chooses to submit multiple applications, the applications cannot reference each other.

Upon successful completion of the first-year contract deliverables, as determined by DOS, the initial contract period may be renewed for an additional contract period of one year at the same funding level as year one, subject to available funds, for a total term of two years.

The CSBG funds are awarded to NYS by the Administration for the Children and Families (ACF) of the United States (U.S.) Department of Health and Human Services (HHS). The awards are one hundred

percent funded by the federal CSBG dollars, received through award number 2201NYCOSR.. The contents of this RFA are those of the author(s) and do not necessary represent the official views of, nor an endorsement, by ACF/HHS, or the U.S. Government. All complete applications will be reviewed, and eligible applicants will be notified of funding decisions through the issuance of a Notice of Award document that sets forth the amount of funds granted, and the terms and conditions of the grant award, which are subject to approval by the Office of the New York State Comptroller.

DOS/DCS will begin the contract development process with the successful applicants when the award is announced. Successful applicants may be asked to provide updated work plans and payment schedules that specify the services to be delivered, project goals, claiming process, and other information. The contract will include, but is not limited to, standard terms and conditions such as confidentiality of records, publications, and contract termination. The proposal of the successful applicant will serve as the basis for additional contracts terms, which will be modified within the context of this RFA. The contract will constitute a legal agreement between the eligible applicant and DOS/DCS and will be in force for the full period of the contract.

All plans and working documents prepared by the applicant(s) under the contract to be awarded will become the property of the State of New York.

Unsuccessful applicants may request the opportunity to be debriefed. Request must be made in writing within 15 calendar days of receipt of the Notice of Non-award to the same address to which the applications are submitted. In the event unsuccessful bidders wish to protest the award resulting from this RFA, should follow the protest procedures established by the Office of the New York State Comptroller (OSC). These procedures can be found in Chapter XI section 17 of the Guide to Financial Operations (GFO), available on-line at: <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>.

## **XIII. Payment**

All contracts are reimbursement-based. The contractor may receive up to a 25% advance of the initial contract period amount upon request. Recoupment of any advance payment to the contract, shall be recovered by crediting (33%) of subsequent claims and such claims will be reduced until the advance is fully recovered within the contract period. Thereafter, each contractor will be reimbursed for expenses incurred pursuant to grant related activities in the approved budget such as salary, benefits, travel, and related expenses. No payments will be made until the contract is fully executed and signed by the Office of the New York State Comptroller and the New York State Office of the Attorney General, if applicable. Contractors will work at their own risk if they conduct program activities before the contract is executed.

Records must be retained and be accessible for a period for a period of six years from the end of the contract or the last contract transaction. If any claim, audit, litigation, or State/Federal investigation is commenced before the expiration of the records retention period, the records must be retained by the contractor until all claims or findings regarding the records are finally resolved. DOS or its designee shall have access to any records relevant to the project (including books, documents, photographs, correspondence, and records), for audits, examinations, transcripts, and excerpts. If DOS determines that such records possess long-term historic value they must be transferred, upon request, to DOS.

## **XV. Monitoring**

DOS will monitor projects on a regular basis throughout the life of the contract. Monitoring may include, but is not limited to, site visits, regular telephone contact and discussions of the progress reports. The goals of the project monitoring are to ensure that the terms of the contracts are being met and to provide technical assistance, where necessary, to help the contractor meet the terms of the contract.

## **XVI. Amendments to the Contract**

Amendments and modifications to executed contracts are sometimes necessary to accommodate the needs of both the contractor and DOS. These changes, which must be met by a mutual written agreement, may include modification to reimbursement schedules, time and money amendments, or no-cost extensions as necessary. Contract modifications, including amendments and no-cost extensions will be made at the discretion of DOS with the approval of the Office of the New York State Comptroller.

## **XVIII. Minority and Women-Owned Business Enterprises Participation**

## **New York State Law**

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations Department of State is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBE”) and the employment of minority group members and women in the performance of Department of State contracts.

### **Business Participation Opportunities for MWBEs**

The Department’s New York State-certified Minority and Women-owned Business Enterprises (“MWBE”) utilization goal is 30%. For purposes of this solicitation, the specific MWBE goal and breakdown between the Minority-owned Business Enterprise (“MBE”) and the Women-owned Business Enterprise (“WBE”) utilization goals shall be established post award and set forth in the Department of State contract, in the Attachment B “Budget” (based on the current availability of MBE’s and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBE as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFA, the respondent agrees that Department of State may withhold payment pursuant to any Contract awarded as a result of this RFA pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com/frontend/vendorsearchpublic.asp>. For guidance on how Department of State will evaluate a Contractor’s “good Faith efforts”, refer to 5 NYCRR §142.8.

The respondent understands that only sums paid to MWBEs for performance of a commercially useful function as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 24 percent of the total value of the broker’s contract.

**FOR CONSTRUCTION CONTRACTS** – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier’s contract. The portion of a contract with an MWBE shall be the monetary value for fees, or the markup percentage, charges by the MWBE.

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFA, such finding constitutes a breach of contract and Department of State may withhold payment as liquidated damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under Contract.

Applicants are required to submit the MWBE Compliance Form (Found in Appendix B) with their application.

Additionally, successful applicants will be required to submit an MWBE Utilization Plan (FORM D) or MWBE Compliance Certification Letter (Form D-1) stating their commitment to show due-diligence to comply with the MWBE goals and requirements within ten (10) business days after the applicant receives notice from the Department of State that the grant is being awarded as evidence of compliance with the foregoing (MWBE forms can be found at <https://dos.ny.gov/supplier-diversity>). Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the

Contract must be reported on a revised MWBE Utilization Plan and submitted to Department of State for review and approval.

The Department of State shall review the submitted MWBE Utilization Plan and issue a written notice of acceptance or notice of deficiency within 20 days of receipt of the utilization plan.

If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within (7) business days of receipt by submitting to the Department of State a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by Department of State to be inadequate, Department of State shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the proposal.

Please see details under **“Additional Notices and Explanations Regarding the MWBE Program and this Request for Applications.”**

Department of State may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan or certification letter;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If the Department of State determines that the respondent has failed to document good faith efforts.

Successful applicant(s) will be required to submit a quarterly M/WBE Compliance & Payment Report to Department of State (Form F, MWBE forms can be found at <https://dos.ny.gov/supplier-diversity>), by the 10<sup>th</sup> day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

## **XX. Service-Disabled Veteran-Owned Business Participation**

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veteran’s Business Development to promote participation of Service-Disabled Veteran-Owned Business (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veteran’s service to and sacrifice for our nation, declares that it is New York State’s public policy to promote and encourage the continuing economic development of service-disabled veteran - owned business, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State’s contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

DOS’s SDVOB utilization goals is 6%. To comply with this goal, DOS strongly encourages grantees to make every effort, to maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services, and technology in performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>.

The Division of Service-Disabled Veteran’s Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS) and maintains a directory of the NYS Certified SDVOBs.

## STATE OF NEW YORK MASTER CONTRACT FOR GRANTS

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

### WITNESSETH:

**WHEREAS**, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

**WHEREAS**, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

**NOW THEREFORE**, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

### STANDARD TERMS AND CONDITIONS

#### I. GENERAL PROVISIONS

**A. Executory Clause:** In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

**B. Required Approvals:** In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

**Budget Changes:** An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than

five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

**C. Order of Precedence:**

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2<sup>1</sup>, Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2<sup>2</sup>, Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1
7. Attachment A-1
8. Other attachments, including, but not limited to, the request for proposal or program application

**D. **G. Governing Law:** The Master Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

**H. Severability:** Any provision of the Master Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good faith to reform the Master Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:
  - a) by certified or registered United States mail, return receipt requested;
  - b) by facsimile transmission;

2. Notices to the State shall be addressed to the Program Office designated in Attachment A-1 (Program Specific Terms and Conditions).
3. Notices to the Contractor shall be addressed to the Contractor's designee as designated in Attachment A-1 (Program Specific Terms and Conditions).
4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.
5. The parties may, from time to time, specify any new or different e-mail address, facsimile

number or address in the United States as their address for purpose of receiving notice under the Master Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

**K. Service of Process:** In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

**L. Set-Off Rights:** The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Master Contract up to any amounts due and owing to the State with regard to the Master Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Master Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State Agency, its representatives, or OSC.

**M. Indemnification:** The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

**N. Non-Assignment Clause:** In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**P. No Arbitration:** Disputes involving the Master Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

**Q. Secular Purpose:** Services performed pursuant to the Master Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

**R. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Master Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

**S. Reciprocity and Sanctions Provisions:** The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.<sup>3</sup>

**T. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

**U. ## II. TERM, TERMINATION AND SUSPENSION

**A. Term:** The term of the Master Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

**B. Renewal:**

**1. General Renewal:** The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

**2. Renewal Notice to Not-for-Profit Contractors:**

a) Pursuant to State Finance Law §179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract no later than ninety (90) calendar days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b) Notification to the not-for-profit Contractor of the State's intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.

**C. Termination:**

**1. *Grounds:***

a) Mutual Consent: The Master Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

b) Cause: The State may terminate the Master Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Master Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Master Contract.

c) Non-Responsibility: In accordance with the provisions of Sections IV(N)(6) and (7) herein, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f) Force Majeure: The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a "force majeure." For purposes of the Master Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Master Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Master Contract after its termination date.

### ***4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:***

In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. At the request of the State, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative shall not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative shall affirmatively cooperate in the implementation of the Contractor's obligations herein; and

5. The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants shall be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

The Contractor shall include the provisions of subclauses 1 – 5 of this Section (IV)(J), in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (Work) except where the Work is for the beneficial use of the Contractor. Section 312 of the Executive Law does not apply to: (i) work, goods or services unrelated to the Master Contract; or (ii) employment outside New York State. The State shall consider compliance by the Contractor or a subcontractor with the requirements of any Federal law concerning equal employment opportunity which effectuates the purpose of this section. The State shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such Federal law and if such duplication or conflict exists, the State shall waive the applicability of Section 312 of the Executive Law to the extent of such duplication or conflict. The Contractor shall comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of the Master Contract and agrees to cooperate with the State in these efforts.

**L. Workers' Compensation Benefits:**

1. In accordance with Section 142 of the State Finance Law, the Master Contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of the Master Contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

7. Prior to making a final Determination of Non-Responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

#### I. Agency Specific Clauses

For the purposes of this Agreement, the terms "State" and "Department" are interchangeable, unless the context requires otherwise. In addition, the terms "Agreement" and "Contract" are interchangeable, unless the context requires otherwise.

##### A. Project Timetable

The Contractor agrees to proceed expeditiously with the Project and to complete the Project in accordance with any timetable associated therewith as set forth in the Work Plan (Attachment C) as well as with the conditions of any applicable permits, administrative orders, or judicial orders and this Agreement.

##### B. Budget Modifications

Prior DOS written approval, which requires a detailed breakdown and justification, is required for all requests for budget modifications, regardless of the amount of the modification. Additional approvals will be required when modifications exceed thresholds described below.

Any proposed modification to a contract that will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contracts must be submitted to DOS for submission to the Office of State Comptroller for approval when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of more than five million dollars.

##### C. Applicable Terms

In addition to the criteria set forth in IV(E)(1)(b) of the Standard Terms and Conditions, documentation of personal service expenditures shall:

1. Be based upon actual work performed;
2. Be supported by internal controls that provide a reasonable assurance that the charges are accurate, allowable, and properly allocated; and
3. Comply with the Contractor's established accounting policies.

Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

##### D. License to Use and Reproduce Documents, Intellectual Property and Other Works:

By acceptance of this Agreement, Contractor transfers to the Department a perpetual, transferable nonexclusive license to use, reproduce in any medium, and distribute, for any purpose, any intellectual property or other work purchased, developed or prepared for or in connection with the Project using funding provided pursuant to this Contract, including but not limited to reports, maps, designs, plans, analysis, and documents regardless of the medium in which they are originally produced. Contractor warrants to the Department that it has sufficient title or interest in such works to license pursuant to this Agreement, and further agrees and warrants that it shall not enter into any subcontract or other agreement purporting to limit such title or interest in such works in any manner that may compromise Contractor's ability to provide the aforesaid license to the Department. Such warranties shall survive the termination of this agreement. Contractor agrees to provide the original of each such work, or a copy thereof which is acceptable to the Department, to the Department before payments shall be made under this Agreement.

#### E. Property

The ownership of all property or intellectual property described herein and purchased, developed or prepared under the terms of this Contract shall reside with the Contractor with a reversionary interest in such property or intellectual property held by the Department, unless otherwise authorized or directed in writing by the Department. Except as otherwise provided in Section II.C.4 of the Standard Terms and Conditions, Contractor shall retain ownership of such property or intellectual property after the term of this Contract so long as such property or intellectual property is used for purposes similar to those contemplated by this Contract. Otherwise, the Contractor shall return such property or intellectual property to the Department at the Contractor's cost and expense, and Contractor's ownership interests, rights and title in such property or intellectual property shall revert to the Department. The ownership of all property purchased with federal funds provided pursuant to this Agreement, however, shall be governed by the terms of applicable federal law and OMB Circulars including, but not limited to, 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," as amended.

#### F. Termination

The Department may terminate the Agreement in accordance with the terms and conditions set forth in the Master Grant Contract section of this Agreement. In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

1. The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within one year after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded.

2. In the event that the Department has provided written notice to the Contractor directing that the Contractor correct any failure to comply with this Agreement, the Department reserves the right to direct that the Contractor suspend all work during a period of time to be determined by the Department. If the Contractor does not correct such failures during the period provided for in the notice, this Agreement shall be deemed to be terminated after expiration of such time period. During any such suspension, the Contractor agrees not to incur any new obligations after receipt of the notice without approval by the Department.
3. If the Department determines the Contractor has breached a term of the Agreement and if the Department determines the defect can be remedied, it may, in its sole discretion, issue a written notice providing the Contractor with a minimum of 30 days to correct the defect and the notice may include a prospective termination date. If the Contractor fails to correct the defect or fails to make a good faith effort to do so as determined by the Department to the Department's satisfaction, the Department may terminate the Agreement for cause.
4. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.
5. In the event the Agreement is postponed, suspended, abandoned or terminated, the Department shall make a settlement with the Contractor upon an equitable basis in good faith and under the general compensation principles and rates established in the Agreement by the Department. This settlement shall fix the value of the work which was performed by the Contractor to the Department's satisfaction prior to the postponement, suspension, abandonment or termination of the Agreement.
6. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

G. Subcontracting Requirements

1. Contractor agrees that it shall not enter into any subcontract for the performance of work in furtherance of this Contract with any subcontractor that at the time of contracting: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to possess requisite workers compensation and disability insurance coverage (see <http://www.wcb.ny.gov>). In addition, Contractor agrees that it shall immediately suspend or terminate any subcontract entered into for the performance of work in furtherance of this Contract if at any time during the term of such subcontract the subcontractor: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (list available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to maintain requisite workers compensation or disability insurance coverage (see <http://www.wcb.ny.gov>). Contractor agrees that any such suspension shall remain in place until the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.

2. The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.
3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract Documents including, but not limited to the terms of the Master Grant Contract, any and all Appendices, and any changes made by amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.
4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.
5. In addition to the requirements of Section IV.B.2 of the Standard Terms and Conditions, the Department reserves the right to require, upon notice to the Contractor, that, commencing from the date of such notice or a date otherwise specified in such notice, Contractor must obtain written approval from the Department prior to entering into any and all subcontracts valued at or below \$100,000 for the performance of any activities covered by this Contract (as provided for in Attachment C). Contractor agrees to require any proposed subcontractors to timely provide to the Department such information as may be requested by the Department as necessary to assess whether the proposed subcontractor is a responsible entity capable of lawfully and satisfactorily performing the work. In the event the Department invokes this right of prior approval and a request for approval is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

During the term of this Contract, any changes in the information provided in the questionnaire shall be disclosed to the Department, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of the contract.

This certification is a material representation of fact upon which reliance was placed by the Department of State in entering into this Agreement with the Contractor.

The Contractor agrees that it will provide immediate written notice to the Department of State if at any time it learns that this certification was erroneous when made or has become erroneous by reason of changed circumstances.

#### N. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

##### 1. General Provisions

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR") for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.

to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

## 2. Contract Goals

O. Service-Disabled Veteran-Owned Businesses Participation

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If

SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS), and maintains a directory of the NYS Certified SDVOBs. In accordance with Title XII of Public Law 103-227, the "PRO-KIDS Act of 1994", smoking may not be permitted in any portion of any indoor facility owned or regularly used for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs whether directly or through State, Territories, local and Tribal governments. Federal programs include grants, cooperative agreements, loans and loan guarantees, subawards, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities used for inpatient drug and alcohol treatment.

The above language must be included in any subawards that contain provisions for children's services and that all subawards shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day.

- f. Micro-purchase and Simplified Acquisition Threshold for Financial Assistance. Due to statutory changes set forth in the National Defense Authorization Act for Fiscal Year 2018, which became law of December 12, 2017, the threshold for micro-purchases is now set at \$10,000.00, and the threshold for simplified acquisition is now \$250,000. In accordance with 41 U.S.C. § 1902(f), changes to the thresholds are not effective until implemented in the Federal Acquisition Regulations (FAR). However, pursuant to 2 C.F.R. § 200.102, OMB has issued an exception to allow grantees [recipients] to use these higher thresholds in advance of revisions to the FAR at 48 CFR Subpart 2.1 and the Uniform Guidance. Further, the National Defense Authorization Act for Fiscal Year 2017, which became law on December 23, 2016, establishes a uniform process by which institutions of higher education, or related or affiliated nonprofit entities, nonprofit research organizations or independent research institutes can request a micro-purchase threshold above \$10,000.00. Prior to requesting a higher threshold, please contact the Grants Management Specialist (GMS) identified in your Notice of Award (NoA) or award letter for instructions to submit the request.

#### C. Cost Sharing or Matching (Non-Federal Share) of Program Funding

- a. Insular Areas. For any program that (a) requires a non-Federal share of program funding and (b) is available to several identified grant recipients, under the provisions of 48 U.S.C. 1469a(d), as amended, the Insular Areas, defined as American Samoa, Guam, the Northern Marian Islands and the U.S. Virgin Islands, are not required to provide up to \$200,000 of the non-Federal share of program funding. If, in any fiscal year, the non-Federal share exceeds \$200,000, the statutory Federal/non-Federal funding rates for that program will apply to all expenditures that exceed that threshold.

#### D. Financial Reporting

- a. Federal funds awarded under this grant must be expended for the purposes which they were awarded and within the time period allotted. Grant recipients are required to file periodic financial or program specific expenditure reports either quarterly or annually for each program.
- b. Electronic Submissions. Reports must be submitted electronically. Paper copies will not be accepted. The ACF mandatory grant recipients must submit periodic financial reports through two separate online reporting systems. Each system is secure and requires individuals to use a PIN, username, and password.
  - i. On-Line Data Collection (OLDC) system is the online reporting mechanism and is located at <https://grantsolutions.gov>. The GrantSolutions Help Desk is open on Monday through Friday from 8:00 am to 6:00 pm ET (except for Federal Holidays). You may reach the Help Desk at 1-866-577-0771, 202-401-5282, or [help@grantsolutions.gov](mailto:help@grantsolutions.gov).
  - ii. HHS Payment Management System (PMS) is the online payment management mechanism and is located at <https://pms.psc.gov>. The PMS Help Desk is open Monday through Friday from 7:00 am to 9:00 pm ET (except Federal Holidays). You may reach the Help Desk at 1-877-614-5533 or [PMSSupport@psc.gov](mailto:PMSSupport@psc.gov).
- c. Obligation Period/Funding Period. Supplemental Terms and Conditions for the Community Services Block Grant. The two-year funding (project) period for this award is synonymous with the obligation period: from the first day of the Federal Fiscal Year for which these funds were awarded through the last day of the following Federal Fiscal Year. (i.e., October 1, Federal Fiscal Year 1 through September 30, Federal Fiscal Year 2.) Any Federal funds not obligated by the end of the obligation period will be recouped by ACF.
- d. Liquidation Period. Supplemental Terms and Conditions for the Community Services Block Grant. All obligated Federal funds awarded under this grant must be liquidated no later than 90 day after the end of the funding/obligation period. (i.e., December 31 following the end of the Federal Fiscal Year 2.) Any Federal funds from this award not liquidated by this date will be recouped by ACF.
- e. Financial Reporting Form. Supplemental Terms and Conditions for the Community Services Block Grant. Form SF-425, "Federal Financial Report."
- f. Submission Schedule. Supplemental Terms and Conditions for the Community Services Block Grant. Each annual report must be submitted within 90 days following the end of each Federal Fiscal Year.
  - i. An interim report (covering Year 1 of the project period) is due 90 days following the end of Federal Fiscal Year 1;
  - ii. A Final report (cumulative, covering the entire 2-year project period) is due 90 days following the end of Federal Fiscal Year 2.
- E. Program Reporting. Supplemental Terms and Conditions for the Community Services Block Grant.
  - a. The required annual program report required under 45 CFR § 96.82, including the number of individuals receiving services under this program, the Federal and State cost of those services, and the service methodology should be submitted to the program office.
- F. Real Property and Tangible Personal Property Reporting

- a. Real Property Reports (SF-429s), OMB Control No. 4040-0016. There are only a few ACF grant programs that have explicit statutory authority to use federal funds to purchase, construct, and/or renovate a property. When real property is used for these purposes, a Federal interest is established. This interest does not expire. So long as a Federal interest remains, the title holding recipient (on behalf of subrecipients) must submit a report on the property annually in the OLDC system. When the property is no longer needed, the recipient (and on behalf of subrecipients) must submit in OLDC a request for disposition instructions. After which ACF will approve one of three options prescribed under 45 CFR § 75.318, eliminating the Federal interest.

In accordance with program specific requirements, recipients (and on behalf of subrecipients) are required to submit the OMB approved Real Property Status Report SF-429 and Attachments, in which there is a Federal interest. The collection of SF-429 forms must be used for awards that establish a Federal interest in real property.

- i. SF-429. The Cover Page must be submitted along with the other SF-429 Attachments (A, B, and C).
- ii. SF-429 Attachment A. The Annual General Report is due annually and follows the same reporting cycle as the annual Federal Financial Report or program specific Expenditure Report.
- iii. SF-429 Attachment B. The Acquire or Improve Request may be submitted at any time to request prior approval to use federal funds to acquire or improve property.
- iv. SF-429 Attachment C. The Disposition or Encumbrance Request may be submitted at any time to request disposition instructions. Recipients (and on behalf of subrecipients) may be required to provide compensation to the U.S. Treasury when acquired or improved real property is sold or retained.

- b. Tangible Property Report (SF-428s), OMB Control No. 4040-0018. Recipients and subrecipients that purchase any tangible personal property (e.g., equipment with a unit cost of \$5,000 or more and residual supplies with an aggregate fair market value exceeding \$5,000) are required to submit the OMB approved Tangible Personal Property form SF-428. Recipients are required to submit the forms on behalf of subrecipients.

- i. SF-428. The Cover Page must be submitted along with the other SF-428 Attachments (B, C, and S).
- ii. SF-428 Attachment A. The Federally Owned Property Annual Report is not applicable to ACF grant programs.
- iii. SF-428 Attachment B. The Final/Award Closeout form on Acquired Equipment purchased with Federal Funds is due at the end of a Federal Assistance Award. This form may not apply to some mandatory grant programs. Please see program specific Supplemental Term and Conditions for applicability.
- iv. SF-428 Attachment C. The Disposition Request form on Acquired Equipment is due at any time other than award closeout. Recipients (and on behalf of subrecipients) may be required to provide compensation to the U.S. Treasury when acquired equipment is sold or retained for use on activities not sponsored by the Federal government.

- v. SF-428 Attachment S. The Supplemental Sheet may be submitted with SF-428 Attachment B or C to provide additional information.

#### G. Grant Payments

Other questions should be directed to the ACF Regional or Headquarters Grants Officer contact listed on the Notice of Award.
- b. Returning Funds/Interest. Unless otherwise directed in the financial or program specific expenditure report, the HHS Program Support Center (PSC) serves as a centralized point for returning grant interest and funds according to established federal law, policies, procedures, and regulations. - b. Waiver. ### Federal Certifications

#### CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

#### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (b) Establishing an ongoing drug-free awareness program to inform employees about - -
  - (1) The dangers of drug abuse in the workplace;

Lower Tier Covered Transactions (Instructions for Certification)

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

A participant may decide the method and frequency by which it determines the eligibility of its principals.
